

COVID-19

Situational Report

Customers, partners, and employees: YKHC is here for you and your family. YKHC is making decisions related to COVID-19 based on guidance from the CDC, the State of Alaska and other experts. We are erring on the side of caution and in the best interests of our employees, customers and communities. YKHC is publishing a situational report to provide an update on our COVID-19 response and planning. [Here is this week's report.](#)

Testing Update

As of 2 p.m. May 21, YKHC has performed 87,286 tests — 82,271 are negative and about 106 are pending. Three specimens were rejected by a private lab.

- YKHC offers free COVID-19 testing without an appointment at the Bethel drive-thru testing site at the Community Health Services Building on Fridays only from 4 to 5:30 p.m. and at all Alaska Airlines arriving flights (noon and 7 p.m.) at the Alaska Airlines terminal. “Close contacts” and persons showing symptoms of COVID-19 may be tested by appointment by calling the COVID-19 hotline at 543-6949, or visit one of the testing facilities at CHSB or the airport. Binax testing is available daily at the hospital for patients with appointments. In the village, please call your local clinic.

Positive Case Count

- As of May 20, YKHC confirmed a total of 5,303 positive COVID-19 cases in the YK Delta.
 - 48 of these total cases were residents tested out-of-region or were not infectious while here, but per State reporting protocols, will be counted as YK Delta cases.
 - 55 of these total cases are non-residents, so per State reporting protocols, the official State YK Delta case count will remain at 5,253.
- All new positive COVID-19 cases identified and known in the YK Delta are reported on YKHC’s website at: <https://www.ykhc.org/covid-19/covid-news/>

Vaccination & Transmission Level Status Update by Sub-Region

- As of May 21, YKHC has vaccinated 13,360 unique individuals throughout the YK Delta.
- For information on how Transmission Level Status affects community gatherings and activities download the Community Lockdown Advisory Update here: <https://www.ykhc.org/wp-content/uploads/2021/04/042721-lockdown-guidance.pdf>
- For communities that have agreed to publish vaccination data, these are the percentage of vaccinated individuals of the total population who have received their vaccine. Villages showing no percentage have not given permission to report that information, but are included as being within their sub-region. Please note: This week we have

changed from posting eligible individuals in each community, to the percentage of all individuals in the community.
