

# COVID-19 Situational Report

**Customers, partners, and employees:** YKHC is here for you and your family. YKHC is making decisions related to COVID-19 based on guidance from the CDC, the State of Alaska and other experts. We are erring on the side of caution and in the best interests of our employees, customers and communities. YKHC publishes a situational report to provide accurate, timely data that communities and individuals can use to better understand the current COVID-19 conditions in the YK Delta.

## During the week of September 3-September 9, YKHC reported:

NEW CASES	HOSPITALIZATIONS	DEATHS
<b>216</b>	<b>2</b>	<b>1</b>

## Transmission risk level by sub-region

The CDC recommends using two measures to calculate the risk of transmission in a particular area — (1) the total number of new cases and (2) the percentage of positive tests, both over a period of the past 7 days. This table is a tool that can be used to determine current sub-regional risk level. Sub-regions are defined by the five Sub-Regional Clinic Service areas. The remaining villages fall into the Bethel area.

Sub-region	Cases	Positivity*
BETHEL	130	9%
ANIAK	4	4%
EMMONAK	10	4%
HOOPER BAY	13	9%
ST. MARY'S	20	9%
TOKSOOK BAY	31	12%
<b>TOTAL</b>	<b>210</b>	<b>9%</b>

\*Percentage of COVID-19 tests that were completed and returned with a positive result over the past 7 days.

## Total case & vaccination counts

TOTAL CASES	ACTIVE CASES	RECOVERED	DECEASED	FULLY-VACCINATED
<b>6,499</b>	<b>242</b>	<b>6,228</b>	<b>29</b>	<b>13,911</b>
RESIDENTS	RESIDENTS	NON-RESIDENTS	HOSPITALIZATIONS	HOSPITALIZATIONS
<b>6,443</b>	<b>85</b>	<b>58</b>	<b>82</b>	<b>28</b>
<i>Infectious while in-region</i>	<i>NOT in-region while infectious</i>	<i>Infectious while in-region</i>	<i>In-region at YKDRH</i>	<i>Medevac'd to out-of-region hospital</i>

All new positive COVID-19 cases identified and known in the YK Delta are reported on YKHC's website at: <https://www.ykhc.org/covid-19/covid-news/>

## Situational Report

### Vaccination level status update by sub-region

These are the percentages of the total population in communities (that have agreed to publish data) that have completed a COVID-19 vaccine series. Villages showing no percentage have not given permission to report that information, but are included within their sub-region.

### Vaccinations

YKHC encourages all individuals 12 and older to receive their COVID-19 vaccination. To request a vaccination appointment, please submit a vaccine application at: <https://tinyurl.com/8kb9vth> or by calling 1-800-478-6599.

### Testing

Drive-through COVID-19 testing is available in the parking lot in front of the CHSB, across the street from the hospital, 12:30-1:30 p.m., Monday through Saturday. All people who have symptoms of COVID-19 or are close contacts of known positive COVID-19 cases are encouraged to get tested at the mobile testing site.

COVID-19 testing is also available without an appointment in Bethel on the first floor of the hospital between 8 a.m. and 6 p.m., Monday through Friday. Patients should enter through the main hospital doors (not the emergency room entrance) and indicate they are interested in a COVID test. "Close contacts" and people showing symptoms of COVID-19 can schedule testing by calling 543-6949. In villages, please call your local clinic.

### Local government call

YKHC's next local government call is scheduled Thursday, September 16.

- If your community would like an individual meeting before the next local government call, please contact YKHC's Public Relations at [publicrelations@ykhc.org](mailto:publicrelations@ykhc.org) to have one scheduled.
- Did you miss the August 26 local government call? Listen to the recording [here](#).

### Announcements

Currently available COVID vaccines will help protect you, your family, and your community against COVID-19, including the Delta variant. Getting vaccinated now is more important than ever.
