

COVID-19 Situational Report

Customers, partners, and employees: YKHC is here for you and your family. YKHC is making decisions related to COVID-19 based on guidance from the CDC, the State of Alaska and other experts. We are erring on the side of caution and in the best interests of our employees, customers and communities. YKHC publishes a situational report to provide accurate, timely data that communities and individuals can use to better understand the current COVID-19 conditions in the YK Delta.

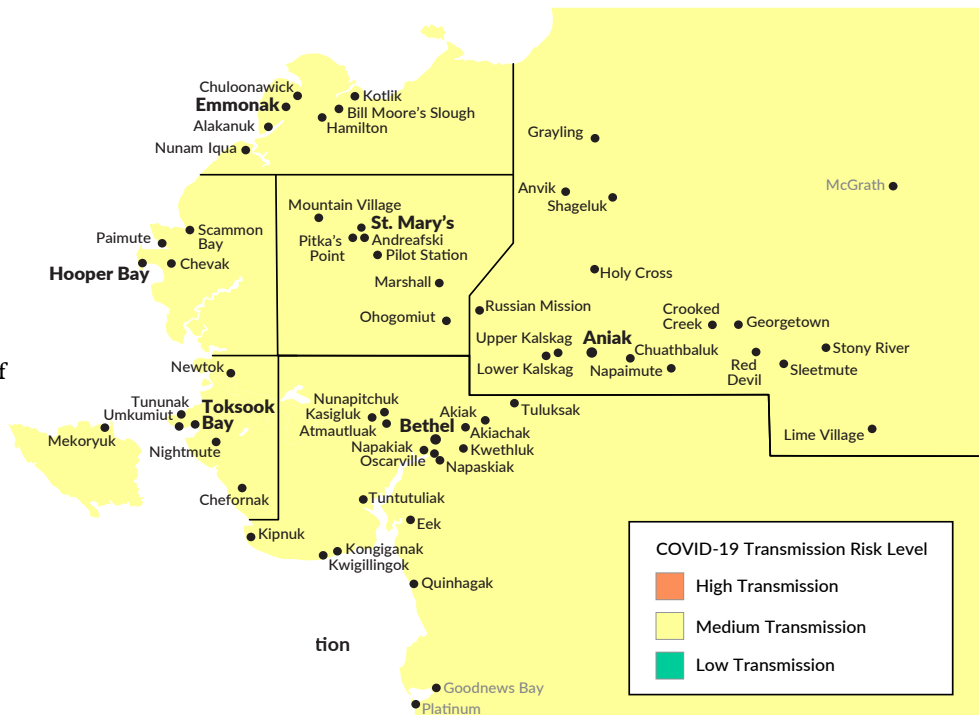

During the week of March 5 - 11, YKHC reported:

Read the daily case statements on our website: <https://www.ykhc.org/covid-19/covid-news/>

NEW CASES	HOSPITALIZATIONS	MEDEVACS	DEATHS
227	0	0	0

YK Delta COVID-19 risk level map

The map indicates the current COVID-19 transmission risk level in the YK Delta, based on three primary measures: (1) The total number of new cases over the past 7 days; (2) The number of new hospitalizations for COVID-19 in the previous 7 days; (3) The percentage of staffed inpatient beds occupied by COVID-19 patients (7-day average). To learn more, view YKHC's most current Community Guidance, dated March 11, at www.ykhc.org/resources.

New positive cases by sub-region

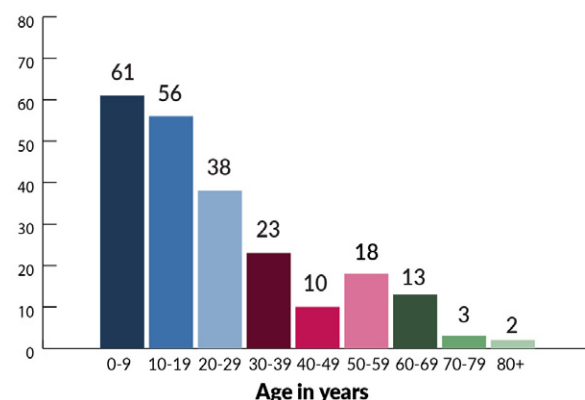

The chart below shows, by sub-region, the number of new cases of COVID-19 identified by or reported to YKHC in the past 7 days.

Sub-region	New cases
BETHEL	83
ANIAK	30
EMMONAK	16
HOOPER BAY	18
ST. MARY'S	56
TOKSOOK BAY	21

Total case & vaccination counts

TOTAL CASES	ACTIVE CASES	DECEASED
14,877	252	50
HOSPITALIZATIONS	MEDEVACS	FULLY-VACCINATED
148	40	17,906
<i>In-region at YKDRH</i>	<i>To out-of-region hospital</i>	

New cases announced in prior 7-day period, by age

This data is provided to help identify the ages, by decade, of new COVID-19 cases in the YK Delta in the prior 7-day period. The COVID-19 vaccine provides strong protection against the virus and is currently available to all people age 5 and older.

All new positive COVID-19 cases identified and known in the YK Delta are reported each business day on YKHC's website at: <https://www.ykhc.org/covid-19/covid-news/>

COVID-19

Situational Report

Vaccination level status update by sub-region

These are the percentages of the total population in communities that have completed a COVID-19 vaccine series and have agreed to publish data. Villages showing no percentage have not given permission to report that information, but are included within their sub-region.

For more information regarding COVID-19 vaccines, visit our website: <https://www.ykhc.org/covid-19/vaccine/>

Vaccinations

YKHC urges all individuals 5 and older to get vaccinated against COVID-19 and all individuals 12 and older to get a booster shot when eligible. To learn more or schedule an appointment, please visit www.ykhc.org/vaccine.

Testing

In **villages**—Please contact your local clinic or SRC.

In **Bethel**—Individuals who have symptoms of COVID-19 OR are close contacts of a known positive are required to test at the outdoor site, 11 a.m. to 1:30 p.m., Monday–Saturday.

Individuals wanting to test out of quarantine on/after day 5 must test at the outdoor site, 4:30 and 7 p.m., Monday–Friday, or 4 to 6 p.m., Saturday.

The outdoor testing site is in the CHSB parking lot, across the street from the hospital.

COVID-19 testing for those who have not tested positive within the last 90 days is available 8 a.m. to 6 p.m., Monday–Friday on the first floor of the hospital.

Contact

YKHC Public Relations: publicrelations@ykhc.org

YKHC Incident Command: 907-543-6275

Currently staffed Mon.–Fri., 8 a.m. – 5 p.m.

Local Government + School District call

The next, bi-weekly Local Government and School District call is scheduled for March 24 at 1 p.m.

- Register for dial-in information [here](#).
- Did you miss the March 9 local government call? Listen to the recording [here](#).
- If your community or school district would like an individual meeting before or after the next call, please contact YKHC at publicrelations@ykhc.org.

Announcements

- On March 11, YKHC released new COVID-19 guidance for communities and individuals. To read the full statement, visit <https://www.ykhc.org/ykhc-releases-updated-covid-19-guidance-for-communities-and-individuals/>.
- Vaccination percentages for the weeks ending March 4 and March 11 are unavailable at the time of this report. The numbers presented here reflect the percentages from the week of February 25. We apologize for any inconvenience and expect to have updated numbers next week.
