

COVID-19

Situational Report

Customers, partners, and employees: YKHC is here for you and your family. YKHC is making decisions related to COVID-19 based on guidance from the CDC, the State of Alaska and other experts. We are erring on the side of caution and in the best interests of our employees, customers and communities. YKHC publishes a situational report to provide accurate, timely data that communities and individuals can use to better understand the current COVID-19 conditions in the YK Delta.

During the week of June 18-24:

NEW CASES	160
HOSPITALIZATIONS	2
MEDEVACS	0
DEATHS	0
ACTIVE CASES (on day of report)	186

Read the daily case statements on our website: <https://www.ykhc.org/covid-19/covid-news/>

COVID-19 Level

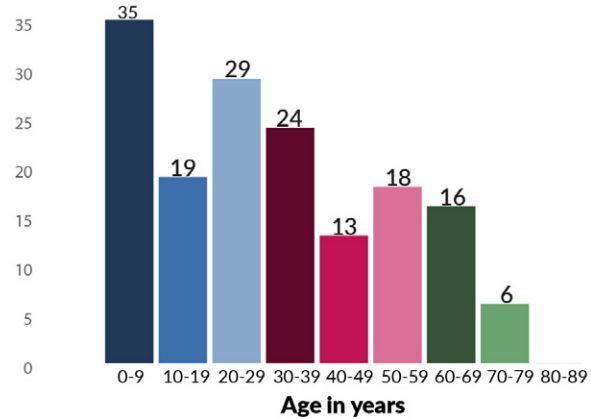

MEDIUM

At medium risk, individuals and communities may choose additional measures to protect people at high risk for severe illness or death, such as wearing a well-fitting mask outside your household, and screening testing to detect infection before gathering with persons at high risk for severe disease. Find YKHC's full COVID-19 guidance at www.ykhc.org/resources.

New positive cases in prior 7 days, by sub-region

Sub-region	New cases	Sub-region	New cases
BETHEL	67	HOOPER BAY	1
ANIAK	20	ST. MARY'S	16
EMMONAK	46	TOOKSOOK BAY	10

New cases announced in prior 7 days, by age

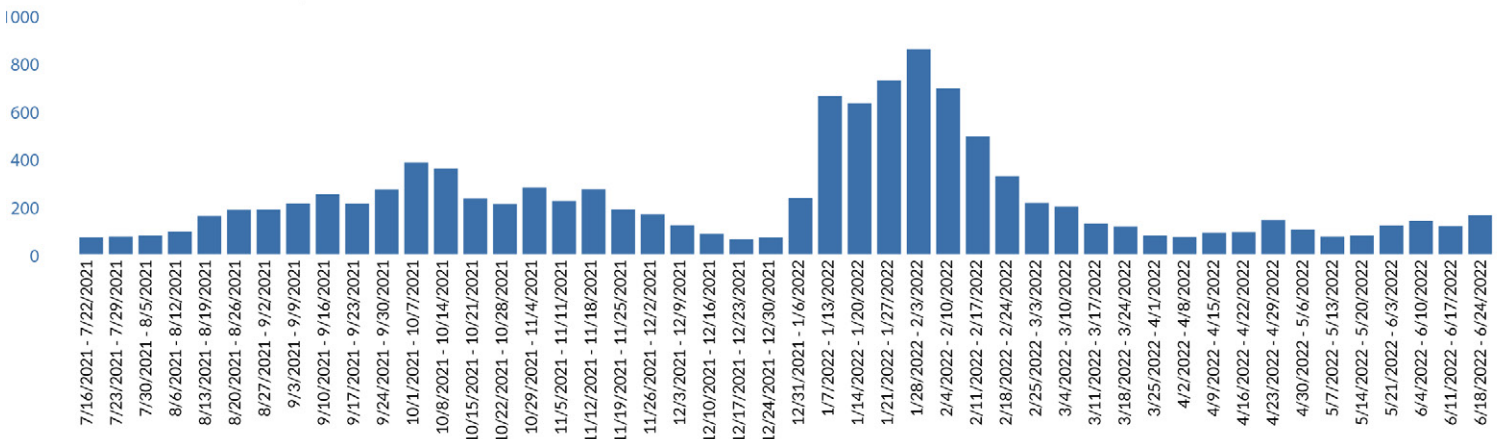

Since the start of the pandemic:

TOTAL CASES	DECEASED	HOSPITALIZATIONS In-region at YKDRH	MEDEVACS To out-of-region hospital	INDIVIDUALS COMPLETED INITIAL VACCINE SERIES
16,437	50	158	43	18,547

Since the start of the Delta wave:

New COVID-19 cases by week

COVID-19

Situational Report

Vaccination level status update by sub-region

These are the percentages of the total population in communities that have completed a COVID-19 vaccine series and have agreed to publish data. Villages showing no percentage have not given permission to report that information, but are included within their sub-region.

For more information regarding COVID-19 vaccines, visit our website: <https://www.ykhc.org/covid-19/vaccine/>

 Nightmute: 47%
 Toksook Bay: 68%

Vaccinations

COVID-19 vaccinations offer the most powerful protection against serious illness, hospitalization and death due to COVID-19.

YKHC strongly encourages everyone 6 months and older to get vaccinated against COVID-19 and everyone ages 5 and older to stay up-to-date on their COVID-19 vaccinations. To learn more, visit www.ykhc.org/vaccines.

Testing

If you tested positive for COVID-19 on an at-home test, please call YKHC Contact Tracing team at 907-543-6420, between 8 a.m. and 5 p.m., Monday through Friday, to report your positive result.

For COVID-19 testing **in villages**, call your clinic.

In Bethel, testing is available without an appointment on the first floor of the hospital. Binax tests are offered 8 a.m. to 6 p.m., Monday through Friday. PCR tests are available in the same location by request only during the hours of 10 a.m. and 2 p.m. Please enter through the main entrance of the hospital.

Announcements

- On Saturday, June 18, the CDC gave final approval for two COVID-19 vaccines for children ages 6 months to 5 years old. YKHC expects to begin offering vaccines to this newest age group on Wednesday, July 6. See our full statement [HERE](#).

- As of Friday, June 17, the communities listed below are experiencing widespread community transmission.

- Alakanuk
- Anvik
- Atmautluak
- Bethel
- Emmonak
- Kotlik
- Kwethluk
- Marshall
- Mertarvik
- Mountain Village
- Napakiak
- Pilot Station
- St. Mary's
- Toksook Bay
